

Primary School Sports Premium

What is Sports Premium?

The Government is providing additional funding to provide substantial primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children.

This funding is ring-fenced and therefore can only be spent on provision for PE and sport in schools. We will be held accountable for how we have used the additional funding to support pupils progress and participation in PE and school sport.

Schools can choose how they use the funding, for example to:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- support and involve the least active children by running after-school sports clubs and holiday clubs, e.g. the Change4Life clubs
- provide resources and training courses in PE and sport for teachers
- run sport competitions or increase pupils' participation in the School Games
- run sports activities with other schools

How will we be spending the Sports Premium Funding and who will benefit?

The Governors agree that the money must be used so that: all children benefit regardless of sporting ability; that the most able children are given the opportunities to compete in advanced tournaments; that staff have access to training opportunities and continued professional development; swimming is subsidised in order to support all families financially.

Primary Sports Grant Awarded 2016/17

Number of pupils on roll:	431
Basic grant:	£8,000
Additional amount per pupil	£5 x 431 = £2,155
Total grant received	£10,155

The table below shows how we intend to spend the sports funding during 2016/17.
